Chief Executive Officer

Dear Mr. Jefferson:

I would like to thank you, personally and on behalf of the United States Intelligence Community as a whole, for making Bill Cregar of your Legal Department available to serve on our Advisory Commission on Multi-disciplinary Counterintelligence Analysis.

Mr. Cregar's former service with the FBI enabled him to make a unique and significant contribution to this important effort. As a result of the Commission's work, several organizational improvements will be made that I believe will have a significant and favorable effect on the security of our country.

Knowing that Mr. Cregar must be a valuable contributor to Dupont, I thank you again for letting us share some of his time for this important task.

Sincerely,

William J. Casey
